For Directions:

By Car: Take exit 32, follow Jumeirah Lake Towers sign (but don't take Al Sarayat Street) and follow Emirates Hills signs and after that turn right onto First Al Khail Street (exit D86). Keep driving straight and continue over the flyover. Cluster M is on the right hand side, (take the slip road immediately after the 100m traffic light sign). Outdoor parking is available immediately after tuning on the right hand and left hand side (before you take the ramp up to the buildings). There is also valet parking available during office hours at a charge of AED20/hour.

By Metro:

Exit the metro at JLT Metro Station. Proceed towards Almas Tower, cross over the road and take the foot path down to the lake. You should follow the lake round, past Hanoi, and continue towards the Movenpick and HDS Business Centre. Once at the Movenpick there will be a small footbridge across the lake which will take you to HDS Business Centre.
